

Mitchell R Tucker, Keynote Speaker – A/V Needs

My goal is to serve you well by creating a straight-forward experience. In order to make the event as excellent as possible, please provide:

- A wireless mic, over the ear or lavalier
- Technical ability to play my intro video

That's it! We are easy to please. One mic and one video.

If you have questions you can contact me directly at (352) 843-1896
